Toddler Workshop by COLORS OF LIFE

The idea for *Toddler Workshop – “Children’s Creativity and Innovation – Early Education with Learning Tools”* emanated first time by Modern Rohini Education Society (Regd.). We brought together the 28 Ignite awardees and about 40 other children Education Tools for Toddler Education. The focus of the workshop was to support all the children in developing innovative ideas for learning.

Points discussed are:

- English language should not be made compulsory for job interviews. People
- knowing regional languages can be intelligent and have knowledge too.
- There should be no discrimination in grading and evaluation.
- Education should not be based on rote learning.
- Points should be given in the current grading system for students who come up with new scientific ideas, etc. just like sports people get points
- Poor quality and insufficient mid-day meals are given in certain schools.
